

Annex 1 g) to the participation declaration of the piglet rearing producer community

With this form, the livestock owner of the main location indicates from when (implementation date) he and the companies in the producer community will implement the requirements of the Initiative Tierwohl.

The livestock owners send this data sheet together with the declaration of participation producer community to their coordinator. Your coordinator will register the producer community you have registered with the data on this data sheet in the Initiative Tierwohl database.

As of

Day/month/year

I will be implementing the requirements of the ITW.

The implementation date can be freely chosen between 01.01.2025 and 30.06.2025.

If already participating locations are split into a producer community, the implementation date must correspond to the date of the participation agreement.

Per calendar year at the registered main location

Number of animals

of piglets will be reared and delivered to an ITW fattener.

(This is the maximum number of animals paid per year by the Initiative Tierwohl, Original piglet rearers indicate all reared piglets when changing the number of animals).
