

## Annex 1 c) to the participation declaration for livestock owner pig production

Using this form, the livestock producer shall state from which point on (implementation date) he shall be implementing the requirements of the Initiative Tierwohl.

The livestock producer shall send this data sheet together with the Declaration of Participation to his coordinator. His coordinator will register the location notified by him using the information on this data sheet in the Initiative Tierwohl database.

To the Coordinator

- Data sheet for registration**  
 **Amendment with effect from \_\_\_\_\_**

**Please complete a separate data sheet for each location number (official registration number)!**

### Pig production

|  |
|--|
| Name of the farm/ agricultural business: |
| Location number:                         |
| Telephone or mobile number for queries:  |

**As of**  **I will be implementing the requirements of the ITW.**

**Per calendar year at the registered location**  **of Animals will be delivered for slaughter.**  
Only fattening pigs that are delivered to abattoirs or butchers that participate in the Initiative Tierwohl are relevant.

Please mark with a cross:

#### Identity status

**I exclusively purchase ITW piglets (identity as of birth)**

**I (also) purchase non-ITW piglets (identity as of fattening)**

**When changing the Identity status from "identity as of fattening" to "identity as of birth", please specify:**

Day/month/year

**As of**

**I purchased the last non-ITW piglet**

Not until three and a half months after this date does the status change to "identity as of birth" (delay of a fattening phase).
